PRESS RELEASE • SPONSORSHIP ANNOUNCEMENT

DSNY Wealth Planning Proud to Sponsor Women in Business Award at the 2027 Mayfair Times Community Awards

Celebrating leadership, achievement and the importance of community as DSNY prepares to establish its Mayfair presence in 2027.

DSNY Wealth Planning is delighted to announce its sponsorship of the Women in Business Award at the 2027 Mayfair Times Community Awards, celebrating the individuals and businesses that make Mayfair, Marylebone and St James's such distinctive and vibrant communities.

The Awards recognise those whose commitment, enterprise and contribution help shape the character of these neighbourhoods. The Women in Business category, a new addition to the annual awards, particularly resonates with DSNY, celebrating women whose vision, leadership and achievements inspire others and make a meaningful difference.

For DSNY Wealth Planning, supporting the awards is a natural extension of the firm's belief that successful businesses have a responsibility to contribute to the communities around them. Alongside providing highly personalised financial advice, DSNY is committed to building lasting relationships, supporting worthwhile causes and creating a positive impact beyond business itself.

The sponsorship also comes at an exciting time for DSNY, as the firm prepares to expand its presence with a new Mayfair office in 2027, strengthening its connections within the local business and wider community.

> *We're incredibly proud to support the Mayfair Times Community Awards, and particularly the Women in Business Award. Recognising people who make a difference, not just through their professional achievements but through the contribution they make to others, is something we believe in strongly. As we look forward to establishing our Mayfair office in 2027, we want to become an active and valued part of this community. Supporting these awards is a wonderful opportunity to celebrate the people who help make it so special.*
